Use information from this graph of the function $f(x)$ to answer the questions that follow.

a. Describe the values of $f(x) > 0$ using the following

i. Interval notation

ii. Symbols

iii. Number line graph

b. Describe the values of $f(x) \leq 2$ using the following

i. Interval notation

ii. Symbols

iii. Number line graph

c. Describe the values of $f(x) \geq 4$ using the following

i. Interval notation

ii. Symbols

iii. Number line graph
