

If you shop at City Market and have a City Market shoppers card you can link your card to our basketball program here at Central High School. Quarterly the basketball program will receive 5% of what you spend at City Market. So, you do not have to do anything different when you shop at City Market other than link your card on the City Market website(not the APP). Follow the steps below to link your City Market card.

1. Go to [www.citymarket.com](http://www.citymarket.com) (You must do this in a web browser and not on the APP)
2. Hover your mouse over the word **SAVE** near the top of the page and click on City Market Community Rewards.
3. Click on "I am a Customer"
4. Enter your user name and password (If you do not have one, create an account)
5. Search for Central High School Boys Basketball by typing in the code QF541
6. Click on enroll in Organization and you are done
7. After you shop, at the bottom of your receipt it should say."At your request we are donating to Central High School Boys Basketball"

It is very easy to do. I was able to walk my parents, who are in their 70's, through the process over the phone. If you have family that shop at King Soopers stores around the country they can link their card also by going to [www.kingsoopers.com](http://www.kingsoopers.com) and follow the same steps.

If you have any questions, please let me know.
