

Clifton Elementary  
Student Supply List 23/24

Parents,

Clifton is asking for a fee of \$30.00 per student at the beginning of the school year. This fee will help cover all your students school supplies (glue, scissors, paper, pencils, pens, etc) for the school year.

Some teachers are asking for boxes of tissues and gallon size baggies to help with the sniffles and student projects.

If you have any questions, please contact the school office at 970-254-4760 after July 19th.

Cash, checks & charge cards (mypaymentsplus.com) will be accepted.

Thank you
